Pandaphone has the option of sending Phone prior to the requested date at no additional cost to Client. Pandaphone will provide Client with detailed billing for all charges. Upon return of the Phone, Pandaphone will calculate a final rental charge. Client understands that any airtime rates quoted are current rates at the time of printing and are to be used as a guide only. Rates will change without notice due to local network price changes. All calls are charged in one-minute increments. Usage of Pandaphone is prohibited as follows: on aircraft of any type and while driving.
