## ● General Information

There are two railway stations in Guilin: Guilin Railway Station ( also called Guilin South Railway Station) and Guilin North Railway Station. Among the two, Guilin North Railway Station is smaller and less used by travelers.

Compared to Guilin Railway Station (South Railway Station), Guilin North Railway Station is more quite with fewer passengers. The reason for the unpopularity of the station is that few trains stopping at this station.

The station is a two-story building. Right in the middle is the main entrance with several barriers for ID checking. Ticket office is at the left side the station building and the exit gate is at the right side. Lobby of the ground floor has two waiting rooms. Waiting section on the second floor is divided by specific train routes. **If your train departs from this station, we suggest you be here at least 2 hours ahead of the departure time.**

## Security Check

Before you enter the station building, you will have an X-ray screen run over your body, while ID card or passport will be checked. Afterwards, your luggage will be screened on a machine and your tickets and ID will be checked again.

Things that are not allowed to take in: firearms (guns, knives, ammunition of any caliber in any quantity etc), explosives (including fireworks and pyrotechnics) and imitation explosives or devices, items containing incapacitating gases, liquids or other substances (including CS gas sprays), inflammable substances except in minimal quantities (eg. lighters), butane gas, any items that are prohibited or limited by the government, live animals and insects and anything that can do harm to other passengers and public hygiene. Luggage that exceeds the limitation of the regulation shall not be brought onto train either.

## Baggage Allowance

The maximum carry-on baggage allowance for each adult passenger is 20 kg and 10 kg for each child. The total length of each item can not exceed 160 cm. The above limitation is not applicable to wheelchair, which can be brought onto the train for free. Baggage space is limited and must be stored in your car so it is advised to travel lightly.

## Ticket Offices

Ticket office is at the left side of the station building, with over 15 counters selling tickets of trains that pass or depart Guilin. And trains of other origins can be sold, too. The working hours is from 7:00AM to 11:00PM daily, with some counters at break during noon time. Automatic ticketing machines are at the southwest corner and at the entrance of CRH, but only available for Chinese-ID-card holders.

You can pick up, change or cancel train tickets at any counter. Tickets of trains that do not depart from Guilin can also be cancelled or endorsed at this station with a certain amount of cost depending on the day of action.

Numbers of the counters for ticket cancellation and endorse can be changed. Use the following sentences to find the right place:

### 1. 请问去哪个窗口退票?

(Which counter can I cancel my tickets, please?)

### 2. 请问去哪个窗口改签?

(Which counter can I endorse my tickets, please?)

## **Ticket Checking**

At the exit to each platform of the waiting room, there will be both manual ticket check and automatic ticket check machines. You don't have to show your travel documents until you get on the train. The checking stops 5 minutes before the departure time. Make sure you are in the line and don't miss it.

## **Waiting Hall**

On the ground floor, there will be a common waiting room and a fee-extra business waiting room. Another two waiting rooms on the second floor. You should follow your tickets or the big LED screen to find your own waiting section.

## **Luggage Services**

At the right side of the entrance on the ground floor, there is a Luggage Carrier Service (行李包裹承运处). If you carry luggage that is beyond 20kg, you should have your luggage carried to your destination at this counter.

For luggage deposit, you can either use the auto locker in the waiting hall or luggage deposit shops at the entrance.

The station crew in red caps can carry your luggage onto the train at a starting price of 10RMB/piece.
